### In Search Of Escaped Horse Thief Green

### Spend Sunday Night In Mt. Vernon

### Having Practically Abandoned The Chase

### Green Thought To Be In Coshocton County

### Officers Tell Most Interesting Story

With only five hours sleep since last Wednesday, Frank Henke, deputy sheriff of Lorain county, Walter H. Watts and F. V. Davison, patrolmen from Elyria, and J. G. Tryan, chauffeur, arrived in Mt. Vernon shortly after 6:30 Sunday evening, enroute to their home in Elyria, after having practically abandoned the chase for Robert Green, the former bank official and horse thief, who escaped from the Lorain county jail at Elyria last Monday.

The officers are positive in their belief, however, that Green is in hiding in the hills of Coshocton county, but Deputy Sheriff Henke says it is impossible to capture the man in such a locality. Although the officers have departed for their homes the hills of Coshocton county are being patrolled by the natives and there is a possibility that Green may come out of hiding and be captured by the posse.

The party in this city Sunday evening is the second that has been in search of Green, the first having left Elyria last Monday under the direction of the sheriff. The second, the party in Mt. Vernon Sunday evening left Elyria Wednesday as a sort of relief for the first party and have been on duty ever since. The members of the party slept but five hours since Wednesday up until Sunday night when they enjoyed a good night's rest at the Curtis hotel.

Deputy Sheriff Henke stated to the Banner representative that the last seen of Green was at Nashville, Holmes county, although the party in the automobile the last three or four days found enough evidence to convince them that they have been on the right trail of the man and that he is some where in this vicinity.

Friday night the officers were in New Castle, Coshocton county, and intended to remain there all night. They were comfortably in bed for the night when a message came that a strange man was seen traveling the New Castle road. The party arose immediately and started in the automobile in search of the man. Coming upon him on the highway they found him to be a veterinary surgeon of one of the villages making a late call.

All day Saturday the posse searched the hills of Coshocton county without avail and in fact all of Saturday night. Sunday the deputy sheriff received a tip that the prisoner was seen in the vicinity of Utica. The party went immediately to that village, but could find no trace of the man there. It was therefore determined to abandon the search for the present at least and the party came on to this city and after resting up Sunday night left Monday morning for their home in Elyria.

There is a reward of \$500 offered for the arrest of Green and if he is in this vicinity it might be well for the citi-

zens to be on the lookout for the man. He is over six feet tall and weighs 180 pounds. The end of the thumb of the right hand is missing.

Green was at one time a prominent bank official, but he dabbled in stocks and lost considerable money and went to the bad. Later he went into the horse stealing business and was arrested on a charge of horse stealing and was locked up in the Lorain county jail to await a hearing on that when on last Monday morning he knocked the turn-key down with a bar of iron in jail and made his escape. He swam the river near Elyria and although he had but thirty minutes start of the officers he made good his escape.

### To Referee The Wrestling Match At The Park

Quite a little trouble was experienced in selecting a referee, suitable to Gutch and Winslow in the match tomorrow night at the Park theatre. The names of Kid Hermann of Mansfield, Clark Doughty of Columbus, Shorty Morrison of Zanesville, Roy Chesney of Bucyrus were suggested but none of them were agreeable to the principals. They finally agreed to let Sporting Editor Reed of the Ohio State Journal select the man. He selected Charles Henry of Newark who will officiate. Advices from surrounding towns indicate that a large crowd will be in attendance. Delegations from Columbus, Newark, Mansfield, Bucyrus, Lancaster have already telegraphed to hold blocks of ringside seats in reserve. The Mt. Vernon City Band will give a concert on the square at 6:30 and will give a concert between the bouts at the park. A bet was posted at the Log Cabin today by John Frey of \$50.00 to \$40.00 that he will get the decision over his opponent, Butch Walters, of Newark. The first preliminary will start at 8:30. Reserved seats are on sale at Dever's.

## SUICIDE

### Of Simon Bechtel In A Barn Near His Home

### In Berlin Township On Saturday Afternoon

### Used A Rope In Ending His Existence

### Had Been In Ill Health For Some Weeks

### The Funeral And Interment On Monday

North Liberty, O., Mar. 28.—Simon Bechtel, a well known citizen of this community, residing 4 miles west of this place in Berlin township, committed suicide sometime between the hours of 2 and 6 o'clock Saturday afternoon by hanging himself with a rope suspended from a rafter in an old barn some distance from his residence. He had been dead some time when discovered by his son.

Mr. Bechtel had been acting strangely for some weeks past and had not been in the best of health. He left the house Saturday afternoon about the hour of two o'clock and informed his wife that he would be back in a short time. There are two barns on the Bechtel farm, the oldest being the greatest distance from the house and it was at this one that the man decided to end his life. He had procured a long rope and securing one end to the rafters and the other about his neck he swung into eternity.

Mrs. Bechtel became greatly alarmed at her husband's prolonged absence and when the son returned home near the hour of six o'clock they were informed of their father's absence and at once they started out to find him. One of the sons, Mr. D. Bechtel, entered the old barn and was horrified to find the body of his father dangling in the air suspended from the rope to the rafter. The body was removed to the house and Coroner Nease of Mt. Vernon was notified, but he telephoned instructions and did not view the body.

Mr. Bechtel must have gone directly to the barn after leaving the house about 2 p. m. and it was evident he had been dead for sometime when the body was discovered by the son. The deceased was 55 years of age and has been a resident of Berlin township for a great many years. He is survived by his wife and two sons and one daughter.

The funeral Monday afternoon at 2:30 o'clock at Ankenytown and interment in the Ankenytown cemetery.

## HORSE

### Cut A Peculiar Caper On The Viaduct

A rather peculiar occurrence took place just south of the viaduct Monday morning at about eight o'clock when Mr. Dicks, salesman for the National Biscuit Co., was starting on a drive to a neighboring town. Just as the C. A. & C. switch was reached, a South Vernon street car came to a stop at the de-railer and the horse, being of an excitable nature, became frightened and reared up on its hind feet. Becoming overbalanced, the animal fell over backwards in such a manner that it was turned completely around in the shafts facing the driver. The odd fact about the accident was that when the horse fell, the shafts were not broken nor was the harness. The animal's mouth was slightly cut by the fall but aside from that, no damage was done.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Alkey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my illness, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.
